👤 PROFILE

A highly accomplished technology leader with 15 years of experience in designing, implementing, and managing complex software and infrastructure systems. I specialize in driving DevOps transformations and architecting resilient multi-cloud solutions across GCP, Azure, and AliCloud. My expertise lies in Infrastructure as Code (IaC), CI/CD optimization, and container orchestration, with a dedicated focus on enhancing system reliability and empowering developer productivity.

🧰 WORK EXPERIENCE

Vice President

Feb 2023 – present | Mumbai, India

MSCI Services Pvt. Ltd

- Provide technical leadership and architectural vision for new cloud implementations and infrastructure modernization.
- Automate GCP resource provisioning using Terraform to ensure scalable, secure, and cost-effective infrastructure.
- Collaborate with cross-functional teams to develop reusable Terraform modules, maintaining architectural consistency across all projects.
- Manage a robust Google Kubernetes Engine (GKE) environment consisting of 10+ clusters supporting over 100 applications.
- Spearheaded the development of an internal GenAI-powered chatbot, enabling natural language querying of resource data across 40+ projects to improve operational efficiency for SRE teams.
- Oversee daily operations, including the deployment, configuration, and proactive health monitoring of containerized workloads.
- Utilize Packer to build custom machine images for GCP, ensuring the delivery of consistent and reproducible environments.
- Orchestrate end-to-end deployment pipelines in Azure DevOps, seamlessly integrating source code with automated build and release processes.
- Partnered with security teams to integrate WIZ vulnerability findings into incident response, significantly accelerating remediation and hardening the organization's security posture.
- Develop custom PowerShell and Bash scripts to automate routine tasks, reducing manual errors and increasing team velocity.

Sr. Consultant

Apr 2017 – Feb 2023 | Mumbai, India

General Mills India Pvt Ltd

- Modernized a legacy on-premises Hadoop cluster by migrating it to AliCloud, leveraging cloud-native services for better performance.
- Architected and deployed a highly available Tableau infrastructure on AliCloud using an Infrastructure as Code (IaC) approach.
- Designed a secure, scalable landing zone for large-scale on-premises to GCP migrations.
- Led the technical preparation and execution of server migrations to GCP using specialized tools like M4CE.
- Managed multi-cloud resources across GCP and AliCloud, configuring compute, storage, and networking for enterprise-level applications.
- Engineered an automated pipeline using Packer and GitHub Actions to maintain "golden" Windows OS images for consistent deployments.
- Developed a custom PowerShell module with over 12 functions for the centralized management of HPE iLO.

Technical service specialist

Apr 2016 – Mar 2017 | Hyderabad, India

IBM India Pvt Ltd.

Client : SONY

- Administered a large-scale virtualization environment featuring 180+ ESXi hosts and over 4,000 Windows servers.
- Managed virtual machines, templates, and clones to support diverse project requirements.
- Performed complex live vMotion and storage migrations with zero downtime.
- Configured VMware clusters for High Availability (HA) and optimal load balancing via DRS.

Consultant

Oct 2014 – Oct 2016 | Mumbai, India

Capgemini India Pvt Ltd.

Client : Total Petrochemical

Level 2 & 3 support for windows platform team.

IT Operations Analyst

Sep 2010 – Oct 2014 | Mumbai, India

Accenture Services Pvt Ltd.

- Level 2 server support engineer for Accenture's internal infra team

IT Infra Engineer

Jan 2009 – Aug 2010 | Mumbai, India

MindTree & 7Strata Pvt Ltd

- Level 1 Desktop support engineer.

SKILLS

GCP • AliCloud • Azure • VMware • Windows • Linux • Powershell • Terraform • Packer •
Active Directory • Bash • SCCM • GitHub • Docker • GKE • GenAI •
Architecture / System Design

CERTIFICATES

- ITIL v3 Foundation
- MCITP in Windows 2K18
- MCTS in SCCM 2K12
- AZ-900
- GCP-ACE

EDUCATION

Diploma in Computer Software

S.H. Jondhale (Mumbai University)

LANGUAGES

English, Hindi, Marathi
